

Excursion to "Shakespeare's London and Shakespeare's Globe"

lasting seven days and nights, from 13th-20th August 2016. This is within the context of a language class for BA "English-Speaking Cultures", MA "Transnational Literature: Literature, Theatre, Film" and MEd "English" students, for which you can earn credit points: you **must** be officially registered in one of those programmes to participate (if you have completed all your classes but are still enrolled in the programme, you are still eligible). It will be underpinned by a group of full-day workshops during the summer semester and by Dr. Jana Nitel's "Shakespeare's London" literature class in that semester.

There will be an initial

information session on Wednesday, 9th December 2015, 10 a.m. - 12 noon, in GW2 B1410.

You are NOT committing yourself by coming to this session! However, it IS essential that you come if you want to have a chance of taking part in the excursion, since initial, provisional registration will take place at that meeting. If you are interested but cannot attend yourself, organize someone to come as your proxy and provisionally register you (they will need your **name, matriculation number, email address** and information as to **which semester of E-SC, Masters TnL or MEd** you are currently in).

We will discuss, among other topics,

- what we will be doing on the excursion
- what will you need to do in advance of and after the excursion
- how you get credit points: what are the requirements
- how much it will cost you
- how it will be decided who takes part
- who from the staff will probably be taking part.
