Politics of Entanglement in the Americas

7th International Postgraduate Forum

Bielefeld University | June 25 – 27, 2015

June 25 | Studentenwerk Administration Office | Morgenbreede 2-4

June 26/27 | University Main Building | Room C2-136

This three-day conference addresses an international community of postgraduate and early-career researchers with perspectives from across the humanities and the social sciences. We aim at exploring entanglements in their diachronic and/or synchronic dimensions and to contribute to a relational and historically grounded thinking of InterAmerican Area Studies.

Keynotes by:

- Rebeca Ramos (Havana)
